Roosevelt High School Reunion Committee

Did you miss me?

Going... Going... Gone. Again.

By Harold Fujii, Entertainment Editor

Things are starting to come together as we plan our next get together again in Las Vegas. Some of the ideas being tossed around are table games and a Jan Ken Po type game using silver dollars. The winner will be given enough money to equal 100 dollars and then will have 45 minutes to gamble and return with whatever winnings they made.

Plans now are for a sit-down dinner instead of a buffet like last time. We're still finalizing everything but mark your calendar for November 8 - 13 of this year. We'll be going with Vacations Hawaii again and as soon as we have a firm cost we'll let you know.

From the Chair

By Vincent Yim, Reunion Committee Chair

Hi Rough Riders,

November 2006 will be our third get together in Las Vegas! The first two went off great and everyone really enjoyed themselves. We're getting pretty good at putting all the finer details into this trip so this one will be even better and more fun. The Karaoke in the suite is a must return as is the mini van to follow the shoppers to carry their packages from mall-to-mall. If you missed our last Vegas trip, the highlight was after the banquet where we all went up to the suite for some Karaoke. It reminded everyone of recess in the senior patio crammed in but enough room to share. It was our time machine, taking us all back to school

and for that evening we all sang our favorite songs til 4 in the morning.

"...the time we spent together was precious and priceless"

I look forward to seeing most of you that have gone with us in 2004. For the rest of you that have not made the trip - sign up and join us! The whole week was precious and priceless and the time we spent together was worth every penny in fun, rekindling old friendships and reminiscing the best times in our early days. This next one will be even better. See you in Vegas!

Meet us at the Pro Bowl

By Brian Taniguchi, Reunion Committee Secretary

Our Reunion Committee is planning again to run a souvenir booth at the annual showcase of pro football's top stars. The booth is a treasure-trove of NFL related goodies, from t-shirts to caps to other wonderful stuff. Profits from our sales go toward supporting RHS Class of '69 reunion activities. Show your support and stop by and buy something. Those who pay us a visit will be eligible for a special drawing in Vegas! Thank you, very much.

When in Vegas - visit Mr. Wes' room

By Wes Mukawa, Pupu Party Chair

When in Vegas for our upcoming reunion, don't forget to drop by the Hospitality Room for our pupu party. They'll be lots of food, drink and fun.

It'll be a place to let down your hair and relax from the non-stop pace of partying, gambling and shopping.

Who knows what will happen in the Hospitality Room? Remember - what happens in the pupu party, stays in the pupu party.

Except when we have pictures. Then we share.

Impress your co-workers

Gleaming white 11 ounce mug. Bright red Roosevelt High School Class of '69 logo stolen from the front of the last Slam Book.

And just to show you're real proud, there's more stuff on the other side.

Mugs are ordered from a mainland company and shipped directly to you.

Destined to take a place of honor on your desk, mantel, china cabinet or a

gift for someone you love. Get more than one. You know you want to.

Order deadline is February 1st.

Get 'em while you can.

Big Roosevelt 75th Dinner

By Brian Taniguchi, Reunion Committee Secretary

The '69 Reunion Committee made a donation on your behalf to the RHS 75th Anniversary Dinner at the Hilton Hawaiian Village November 8th.

A total of \$2250 came from our Reunion funds and a number of Committee members also chipped in \$50 each to attend the amazing function. Over \$600,000 was raised to help match a National Football League grant of \$200,000 to pay for field turf at the Roosevelt Stadium. Our classmate, Senator Brian Taniguchi, was able to secure \$4 million in state funds for this stadium project. You may not know that Farrington and McKinley also use our stadium as their home fields, contributing significantly to the wear and tear of the field (the grass all bus' up!).

Along with a host of Hall of Fame alumni, three teachers who were at Roosevelt when we were there were also honored – Mrs. Nosse, Mrs. Todd and Mrs. Minami.

If you missed the last one...

You missed a lot of fun. And shopping. And eating. And other stuff. Start your New Year off right by planning to join us in Vegas in November!
