Riley Lee, world-renowned shakuhachi (Japanese bamboo flute) master, and the Sydney-based Enigma Quartet present the Hawaii premier of **Five Elements**. Take a kaleidoscopic journey through the Australian landscape in a concert inspired by the universal elements of earth, air, water, fire, and ether. This musical journey combines meditative sounds and gestures of the shakuhachi and the rich harmonic palette of the string quartet.

This concert will take you down under with other commissioned and selected works from Australia's leading composers.

*"Lee's sound is so astonishingly pure: it aches with the sadness of loss and the sadness of wisdom, pulses with the joy of being alive and whispers of an elegance almost too exotic to be true."*
